Welcome!
Welcome back to Term 3! It’s hard to believe that we are into the second half of the year already.

What we have been up to over the last fortnight!
For the first week of school, we have been busy getting to know the new children that have started with us and catching up with what everyone did over the holidays. We also started focusing on Healthy Eating. This term we have introduced a new menu with the children that has been developed with Nutrition Australia to ensure that we are providing healthy snacks to the children for both breakfast and afternoon tea. We have a new recipe book which we are all very excited to try – our first recipe to try was the Mug Cakes!

Recipe for Mug Cakes

Ingredients:
¼ cup Plain Flour
1 tbsp Cocoa Powder
¼ tsp Baking Powder
1 tbsp Sugar
¼ cup Milk
1 tbsp Oil

Method:
1. Mix all ingredients together and pour into a mug
2. Microwave for 70 seconds.

What we have planned for the next fortnight!
As the Olympic Games are about to start, we will be researching the history of the games. We will also be holding our own mini Olympics. Watch out for our medal tally’s and records which will be displayed in the hall.

This term as part our tCAF, we will be raising awareness and money for The Smith Family’s Learning for Life Program. The Smith Family is a national charity that believes in the power of education to break the cycle of disadvantage. They support over 15,000 primary school aged children through the Learning for Life Program. The program provides support in 3 main ways:

1. Families receive financial support to cover education essentials e.g. books, uniforms etc.
2. Working with families to overcome barriers to school attendance and achievement.
3. Providing a range of programs such as literacy and numeracy programs, learning clubs, and mentoring to help ensure the child stays engaged in school.
Last year Camp Australia was able to donate $65,000 to this program. This year, our efforts will help provide children in 94 of the most disadvantaged communities in Australia with education essentials and learning support and enable them to take part in school camps or excursions.
