

ACC Student Technology Requirements

ACC supports Bring Your Own Device (BYOD) by incorporating Apple devices at our school. This document outlines student hardware and software requirements.

iPad

Any one of the following iPad models are suitable:

- 12.9-inch iPad Pro (2nd generation)
- 12.9-inch iPad Pro (1st generation)
- 10.5-inch iPad Pro
- 9.7-inch iPad Pro
- iPad Air 2
- iPad Air
- iPad (5th generation)

For those students completing ACER or NAPLAN testing, headphones are required in addition to the device. It is advised that a suitable case or cover should also be purchased to protect the device.

Apple MacBook Air 13-inch

Minimum specification:

- 1.4GHz Processor or higher
- 128GB Storage or higher
- 4GB RAM or higher

For those students completing ACER or NAPLAN testing, headphones are required in addition to the device. It is advised that a suitable case or cover should also be purchased to protect the device.

Software

All our students are provided with a Google Suite Account.

Please ensure all devices are up to date and have the following software installed as a minimum requirement for laptops:

- Web browser recommendation - [Chrome](#)
- [Adobe Reader DC](#) (for PDF formatted files for Macbook Air's only)
- The majority of "office-related" tasks will be completed using Google Apps.
- Years 3, 5, 7 and 9 students will need the [NAPLAN Browser](#) (The NAPLAN browser will need to be updated each year).

Contact the school if you have any questions about technology requirements.
